 May 23, 2019 at 1:00 p.m.
 Township of Puslinch, Council Chambers
 7404 Wellington Road 34
 Puslinch ON N0B 2J0**

That the Joint Compliance Audit Committee for the Wellington County Municipalities dismisses the application for a Compliance Audit filed by Donna Madore of 6504 First Line, Fergus, N1M 2W4 regarding the financial filings of Mayoral candidate Kelly Linton based on the following grounds:

1. The Committee believes there was no evidence provided to support the application;
2. The Committee is of the opinion that no additional evidence was provided by the applicant to support the allegation that individuals contributed on behalf of any corporations;
3. The Committee reviewed the Financial Statement and Auditor’s report filed by the Township of Centre Wellington and determined that no contributions were made by any corporation;
4. The applicant, nor anyone on her behalf, did not attend the hearing notwithstanding receiving the appropriate notice. As a result of non attendance, no additional evidence was provided to the Committee. Individual contributors referred to in the request for a Compliance Audit appear, on the audited financial statements, to have contributed in their individual capacities.

The Committee finds that the objection does not raise any concern that the contributions outlined in the application were corporate.
